After our successful StampFest in 2018, we have added space for another dealer. We responded to your survey answers and have adjusted the times on Saturday. Table rates are slightly higher so that we may continue to advertise this show properly. The US Post Office has enthusiastically agreed to return and we will do our best to try and get another ceremony for the show. Dealers and their staff will enjoy our local cuisine at lunch time everyday with genuine PO-Boy sandwiches of their choice or a hot lunch plate from the famous "Harbour Seafood" in Metairie. Continental breakfast & lunch included.

Advertising will be done in Linn's Stamp News, the New Orleans & Baton Rouge Newspapers, magazines, websites and local stamp clubs for at least a 150 mile radius. We have a 1500 name "mail list" of collectors who will receive an advertising postcard. The APS email blast will be used for a 500 mile radius. Ed Jatho will again provide TV coverage and the club will again use radio advertising. Both of these proved very beneficial last year. We are using Facebook, and other social media sites to promote our show this year. All that said, please participate in marketing and promoting your attendance at this show. Send cards and add the show to your website with a link to our club site at <http://ccscno.org/stamp-shows/>.

Advertising rates for our show program will be sent as we work out the details.

As a matter of courtesy and professionalism, we ask that bourse tables be staffed and open for business for all the hours of the show. Our collectors arrive early on the first day and show up late on the last day of the show. **In response to dealers not wanting to attend on Sunday we have made these compromises with these hours. Please plan on staying through the end of the show.** Although each dealer is responsible for his own stamps and their security, an armed Kenner Policeman will remain in the show room at all times we are closed for business.

The DoubleTree Hotel has offered us a discounted room rate for dealer guests at \$109/night. This is a very good rate for this area and \$20/night less than their published rate as of 8/28/17. Help support the club and lets fill these 10 rooms. This will help us gain courtesy, better venue rates and room rates in the future. The cut-off is December 15th. The rate is being extended from 3 days prior to the show and 3 days after.

Mention code: CCS or just enter it at the Hilton website for the hotel.

Setup for dealers will start at 3pm on January 17th. We look forward to seeing you here. Please let us know if we can help you with your plans while visiting our great metropolitan area.
